

# Brea LEEDS – Diversion/Green Bldg

Direct Billed By Republic Services

Effective July 1, 2020

## Procedures

### What is a LEEDS account?

#### Please ask the following questions:

- Is this for Commercial or Residential use?  
If Residential – we cannot provide a LEEDS account.
- What size container is needed?  
No 3yd bins, only Roll Offs.
- How long is the project?  
We do not offer LEEDS accounts for temporary containers or for 1 or 2 loads only.  
Must be 30 days or more and a minimum of 4 loads per month (unless pre-approved by GM).
- Customer Full Name
- Phone Number
- Service Address with City

### Important Notes:

If a customer that does not qualify for a LEEDS account requests documentation/proof that the material is being recycled, please advise that we do not provide such documentation. The City is aware of our sorting and recovery process of recyclable materials.
