**CAPITAL IMPROVEMENT PROJECT CONSTRUCTION NOTICE: REVISED SCHEDULE FOR STREET IMPROVEMENTS AT THE INTERSECTION OF BERRY STREET AND IMPERIAL HIGHWAY**

Dear Brea Resident/Business Owner:

You are receiving this notice because your property is within an upcoming project area in the City of Brea, which may be temporarily impacted by construction activities. This project will construct a new right turn lane on Imperial Highway onto Berry Street. Therefore, there will be heavy construction activities, during daytime hours, which will require traffic control to be set-up during the construction, which may delay your commute through the construction zone.

The City's contractor, Hardy and Harper, Inc., will provide additional notices and signage throughout the project with respect to traffic control measures.

The project contractor has started construction and will provide further notices with respect to the traffic control measures. The project will be completed in three main phases. Phase 1 includes some underground work that will require night-time work from Monday, March 1 through Tuesday, March 9, from the hours of 10:00 p.m. to 5:00 a.m. There will be no night work on Friday, Saturday, or Sunday. Phase 2 includes the construction of the right turn lane, sidewalk, ADA ramps, and signal work. Construction for this phase of work will be completed during daytime hours. Phase 3 will complete the pavement work, with also construction during daytime hours. This entire improvement project is anticipated to be completed by early May 2021. For more information, please visit the City's website at [cityofbrea.net/CIPProjects](http://cityofbrea.net/CIPProjects).

The City appreciates your patience and cooperation during this improvement project.

Regards,
